Next Regular Meeting Thursday July 17 1980 8pm

Reports will be forthcoming from the Department Convention in Ocean City July 8-11.

Newly elected Officers for the coming year have been installed and solicit your support for Post programs and activities.

Membership cards are on hand and membership will gladly send you your '81 card early. We just made 100% last month, for the year.

All wishing to pay your dues early would not be disappointed if they stopped in at the Club Room. Hope the improvement meets with your approval.

Part of our efforts for the coming year will be directed to the Post kitchen which the State Health Department decided was unfit for use in it's entirety. Some of our devoted members have already secured at least one piece of approved equipment toward getting the kitchen back in operation, plans for other equipment being discussed, revised and rediscussed.
